Yachting Tuition and Qualifications

To hire a yacht anywhere abroad, either on bareboat or flotilla, with us or another operator then you will need some prior experience and a basic qualification to prove your skills. Fortunately, we’re able to help you achieve a skippers qualification - whether you’re an experienced sailor with no ‘piece of paper’ to prove your skills or a newbie to yacht sailing with zero yachting experience!

Accepted qualifications:

- The International Yacht Training (IYT) Flotilla Skipper or Bareboat Skipper certificate. This qualification is recognised worldwide for yacht charter in all countries. As a total beginner, you can take the 5 day Flotilla skipper course with us and get qualified in one week. If you have some experience (app. 150 miles) you can take the Bareboat skipper course with us also. Our training yacht is in Vassiliki.
- RYA Day Skipper, Coastal Skipper, Keelboat Level 2 qualification.
- An International Certificate of Competence (ICC), (ICC), or equivalent qualification.

None of the above?
If you don’t have the necessary level of experience, then one of our stay and sail holidays might be your best option. In week one of your stay sail holiday you can take our Start Yacht Sailing course(IYT Flotilla Skipper) which will qualify you to skipper your own yacht on our Flotilla

International Yacht Training course

If you would like to skipper your own yacht but you’ve never sailed before, this course could be ideal for you. Our five day IYT ‘Flotilla Skipper’ course (for beginners) or ‘Bareboat Skipper’ course (for sailors with a little experience) is perfect when taken in week one of a Stay Sail holiday at our Surf Hotel in Vassiliki. We can take complete novices from ZERO to proficient flotilla skipper in just two weeks on a Stay Sail.

Our 5 day course provides you with the International Yacht Training (IYT) Flotilla Skipper certificate which is an internationally recognised qualification. It comes with a VHF radio license and can be used worldwide for chartering yachts on flotilla.

More experienced sailors (approx.150 miles sailing as first mate or crew) can take the IYT Bareboat skippers course which is done in the same 5 days, with a VHF license. You may be able to condense this course into 2 days if you have experience to Day Skipper standard. See our course page for more.

- Suits beginners and those with experience
- No prior sailing experience necessary
- Earn the IYT Flotilla Skipper certificate (Internationally recognised)
- Also included: your VHF radio license
- Earn the IYT Bareboat Skipper certificate if you have some experience
- Take the course at Surf Hotel Beach Club in Vassiliki
- Price £799pp, reduced to £399pp for Stay Sail guests.
- + £150 for the Bareboat course extension
